English

Student Population
17,000 Students

Did you Know?
Charles Darwin was originally established in 1951, and is Australia’s most diverse and youngest University. There is no other university within thousands of kilometers of Charles Darwin University, making it a major center for higher education.

Charles Darwin holds classes in 8 campuses in Australia and 5 other countries.

Want to know more?
Check out www.cdu.edu.au, or the Charles Darwin box in the Study Abroad Office resource library.

Finding Courses
Here are instructions for finding courses on the Charles Darwin University website:

- Go to www.cdu.edu.au.
- Find the International Students tab on the left side of the screen.
- Click on Prospective International Students on the left side of the screen.
- Click on What can I Study? And Course/Programs
- From here you may choose “Undergraduate” or your subject area.
- Keep in mind– Charles Darwin only accepts one student a year making placement competitive.

Popular Courses of Study
OSU students studying at Charles Darwin have taken courses in marketing, photography, politics, history, fine arts, indigenous studies, business, environmental sciences, humanities, tourism/hospitality, architecture, engineering and more!

Reciprocal Exchange
This study abroad program is a reciprocal exchange. A reciprocal exchange is an exchange of students between two universities. You pay tuition and fees at your home university (OSU) while studying at a host university. You pay all other expenses to your host university. For more information on expenses, see the back of this brochure. For more information on reciprocal exchange, a detailed booklet is available from the Study Abroad/NSE Office.
