**Finding Courses**
Before going abroad, you will need to investigate the courses available at potential host institutions. Here are instructions for finding courses on the Middle East Technical University website:

- Go to [www.metu.edu.tr/](http://www.metu.edu.tr/)
- Click on Academics then Undergraduate Programs on the top left.
- From here select your major— this will lead you to the webpage for that faculty/college. Many of the pages differ, so look for course schedule, course list, or curriculum to find courses and descriptions. You may need to specify undergraduate.
- Click the course title for description.
- Ask a peer advisor to print you a copy of the « How to decode METU course titles » document.

Questions about this program or other study abroad opportunities?
E-mail a peer advisor at abroad@okstate.edu or come by our office to set up an appointment!

---

**Popular Courses of Study**
OSU students studying at METU have taken courses in architecture, arts & sciences, education, engineering, economics, business, and more!

---

**Reciprocal Exchange**
This study abroad program is a reciprocal exchange. A reciprocal exchange is an exchange of students between two universities. You pay tuition and fees at your home university (OSU) while studying at a host university. You pay all other expenses to your host university. For more information on expenses, see the back of this brochure. For more information on reciprocal exchange, a detailed booklet is available from the Study Abroad/NSE Office.
